

**Codebook for the replication data of
“Military Threats, International Pressure,
and Public Opinion on the Nuclear Ban Treaty in Japan”**

Replication Data

group

Group assignment

- 1: Group C (w/o security threats and international pressure information)
- 2: Group T1 (w/ security threats information and w/o international pressure information)
- 3: Group T2 (w/ international pressure information and w/o security threats information)
- 4: Group T3 (w/ both security threats and international pressure information)

outcome

Support for Japan’s participation in the Treaty on the Prohibition of Nuclear Weapons (TPNW)

“Do you think that Japan should join this treaty?”

- 1: Should join
- 2: Should probably join
- 3: I cannot say either way
- 4: Should probably not join
- 5: Should not join

MC.1

Factual manipulation check for the security threats information

“From the previous page that you were shown, which countries do you remember as countries that are expanding their nuclear armament?”

- 1: China and Iran
- 2: China and North Korea
- 3: Iran and North Korea
- 4: China, Iran, and North Korea
- 5: I do not remember

NA is recorded for respondents assigned to Groups C and T2.

MC.2

Factual manipulation check for the international pressure information

“From what you saw on the previous page, why ICAN and others are calling on Japan to support the TPNW?”

- 1: Because the Japanese government has a favorable attitude toward the TPNW
- 2: Because Japan is allied with the U.S., a nuclear power
- 3: Because Japan is economically developed
- 4: Because Japan is a country that has experienced atomic bombing
- 5: I do not remember

NA is recorded for respondents assigned to Groups C and T1.

gender

Gender

- 1: Man
- 2: Woman
- 3: Neither

age

Age

edu

Educational level

- 1: Junior high school
- 2: High school
- 3: Technical college
- 4: Vocational school
- 5: Junior college
- 6: University
- 7: Graduate school (Master’s course)
- 8: Graduate school (Doctoral course)

pref

Prefecture of residence

- 1: Aichi
- 2: Akita
- 3: Aomori
- 4: Chiba

5: Ehime
6: Fukui
7: Fukuoka
8: Fukushima

- 24: Other/35–54 years old /college or higher
- 25: Other/55–69 years old /high school or less
- 26: Other/55–69 years old /junior college level
- 27: Other/55–69 years old /college or higher

Census distribution of age × gender

This file represents the distribution of the population in Japan by age (15 to 69 years) and gender based on the 2020 census.

Census distribution of prefecture × age

This file represents the distribution of the population in Japan across various prefectures by age (18 to 69 years) based on the 2020 census. The column labels (X18, X19, ...) represent different ages.

Census distribution of age × education

This file represents the distribution of the population in Japan by age (15 to 69 years) and educational attainment based on the 2020 census. Rows are grouped into cohorts every

five years (e.g., “15” represents the 15–19-year-old cohort). Definitions of column labels are as follows:

ES: Elementary school

JHS: Junior high school

HS: High school

JC: Junior college and technical college (includes vocational school)

C: College

GS: Graduate school

graduate_NA: Graduated from an unspecified category of school

student: Currently attending school

no_education: Did not graduate from any school

NA: Education status unknown
